BELVILLE BOARD OF COMMISSIONERS COMMENT ON CHARGES FILED AGAINST COMMISSIONER JOE BREAUT

TOWN OF BELVILLE . In response to the recent criminal charges brought against Commissioner Joe Breault, the Belville Board of Commissioners, speaking through Mayor Pro Tem Mike Allen, has issued the following statement:

The Town learned about the charges against Commissioner Breault this morning. Under the American system of justice, an accused person is innocent until proven guilty. The Board puts its faith in that system and will allow the process to proceed forth to its conclusion. In the interim, the Board will closely monitor the situation and take those actions deemed necessary to protect the interests of the Town's residents.+
