TOWN OF BELVILLE LIFTS STATE OF EMERGENCY

TOWN OF BELVILLE . Mayor Mike Allen and the Belville Board of Commissioners met at 6:00 p.m. on Monday, February 3, 2014 and lifted the town's state of emergency.

Following the rare coastal ice storm which affected a large part of Brunswick County and the State of North Carolina, the town staff reopened Town Hall for business, performed damage assessment and determined that the town sustained no significant damage.

Thank you for your patience during this uncommon weather event.
