## **Complete Closure of a section of N.C. 133 in Brunswick County Begins Nov. 13**

*Signed Detours to Guide Motorists*

**Wilmington** – The [N.C. Department of Transportation](#) will close N.C. 133/Village Road/River Road this weekend between the interchange ramps for U.S. 17/74/76 near Belville/Leland, weather permitting. The closure is necessary for crews to pave and connect ramps at the interchange to N.C. 133 and repaint lanes back to the existing pattern in anticipation of future work on N.C. 133.

**The closure is scheduled to be in place between Friday, Nov. 13, at 9 p.m. and 6 a.m. on Monday, Nov. 16. A signed detour will guide motorists through U.S 17/74/76 and N.C. 133.**

This work is part of the Causeway Bridge Project, which began January 27, 2014, and is scheduled to be completed by November 15, 2016. The project will improve safety and reduce congestion in this area.

Motorists are advised to use caution while traveling in the work area and to expect possible delays.
