BELVILLE BREAKS GROUND ON NEW TOWN HALL

FEBRUARY 6, 2017 – A groundbreaking ceremony which will kick off the start of construction for the Belville Municipal Facility will take place from 3:00pm to 4:00 pm on Monday, February 13th at 63 River Road in Belville, NC.

“Our dream of having a town hall that everyone in the region can enjoy has become a reality,” said Mayor Mike Allen. “We would like to invite the residents of our community to the ceremony to help celebrate the long-awaited start of construction on our municipal facility.”

A host of state and local officials are expected to attend the groundbreaking and will participate in the formal shovel-turning event. Refreshments will be served following the ceremony.
