THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

Preamble and Purpose of the Policy

It is the purpose of this policy to establish guidelines for personnel administration for all employees of the Town under the supervision of the Town Manager. This policy is established under authority of Article 7 of Chapter 160A of the North Carolina General Statutes. While this policy is intended to provide a set of guidelines for personnel administration, none of the provisions of this policy are intended to constitute terms or conditions of employment, to alter the at-will nature of the employment relationship between the Town and its employees, or to otherwise bind or restrict the Town Council's discretion in any respect. No provision in this policy is intended to create any property right, liberty interest, or other sort of expectation in favor of any employee. Notwithstanding any other provision in this policy, the Town Council expressly reserves the right to rescind, modify or, in its sole discretion, to suspend any of the provisions of this policy at any time, all with or without any advance notice.

The Town of Belville is an at-will employer. No Town official or other person has the authority to grant any employee any contractual right to employment or any expectation of continued employment. The Town expressly reserves the right to take any disciplinary, corrective or other employment action, up to and including termination, at any time, with or without cause and with or without providing any prior notice.

Article I. Equal Opportunity

Section 1. Purpose

The purpose of this policy is to establish a personnel system that will promote a fair and effective means of employee recruitment and selection, develop and maintain an effective and responsible work force, and provide the means for removal of unsatisfactory employees. This policy is established under the authority of Chapter 160A of the General Statutes of North Carolina.

Section 2. Coverage

All employees in the Town's service are subject to this policy. All employment offers and promotions shall be made solely on the basis of merit. All positions requiring the performance of the same duties and fulfillment of the same responsibilities shall be assigned to the same class and the same wage range.

Section 3. Equal Opportunity Policy

It is the policy of the Town that neither race, sex, national origin, color, religion, creed, age, physical or mental impairment, genetic information, sexual orientation or political affiliations shall be considered in:

- Recruiting and selecting new employees;

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

- Selecting employees for promotion, training, career development, transfer, demotion for fiscal purposes, and/or reduction-in-force;
- Administrating and applying any personnel policies and procedures including, without limitation, disciplinary actions; and
- Establishing rates of pay including salary adjustments and/or salary increases.

Equal employment opportunity as to age applies only to persons who are age 40 or over. State and Federal laws forbid employment discrimination on the basis of age for these persons. It is unlawful “to fail or refuse to hire or to discharge any individual or otherwise discriminate against any individual with respect to his/her compensation, terms, conditions, or privileges of employment, because of such individual’s age”.

Equal employment opportunity for qualified applicants with known physical or mental impairments substantially limiting major life activities includes making reasonable accommodations enabling an applicant to participate in the application process or to perform the essential job functions of the position provided that the reasonable accommodations do not impose an undue hardship on the Town. While determined on a case-by-case basis, reasonable accommodations may include: making facilities used by employees readily accessible to and usable by such person; job restructuring (reassigning non-essential duties and/or using part-time or modified work schedules); acquisition or modification of equipment or devices; provision of readers or interpreters; and/or other similar actions. Agencies are required to make such adjustments for the known limitations of otherwise qualified handicapped applicants and employees, unless it can be demonstrated that a particular adjustment or alteration would impose an undue hardship on the operation of the agency.

Whether an accommodation is reasonable must depend on the facts in each case. Factors to be considered in determining this include:

- the nature and cost of the accommodation needed;
- the type of the agency’s operation, including the composition and structure of its work force; and
- the overall size of the agency or particular program involved, with respect to number of employees, number and type of facilities, and size of budget.

Section 4. Illegal Workplace Conditions

The Town strictly adheres to the policy that no Town official or employee shall engage in conduct falling under the illegal workplace conditions described in this section below. All employees shall have the right to work in an environment free from illegal workplace conditions and from retaliation based on attempting to address/remedy the same.

Unlawful Workplace Harassment is unwelcomed or unsolicited speech or conduct based on race, sex, creed, religion, national origin, age, color, sexual orientation or physical or mental impairment creating or resulting in a hostile work environment or circumstances involving a *quid pro quo*.

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

Hostile Workplace Environment is one that both a reasonable person would find hostile or abusive and that the particular person who is the object of the harassment perceives to be hostile or abusive. A hostile work environment is determined by looking at all of the circumstances, including the frequency of the allegedly harassing conduct, its severity, whether it is physically threatening or humiliating, and whether it unreasonably interferes with an employee's work performance.

Quid Pro Quo ("this for that") harassment consists of unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct when i) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or ii) submission to or rejection of such conduct by an individual is used as the basis for an employment decision affecting such individual.

Retaliation is adverse treatment occurring as a result of attempting to address and/or remedy illegal workplace conditions.

Any employee having a complaint of illegal workplace conditions may file the complaint directly with the Town Manager. The Town Manager, or such other person as the Town Manager may direct, shall conduct a thorough investigation into any alleged illegal workplace conditions and report the findings and conclusions of that investigation to the Board.

Article II. Responsibility: Administration of the Personnel Program

Section 1. Board of Commissioners

The Board of Commissioners shall be responsible for the appointment of a Town Manager and a Town Attorney. The Manager shall be chosen by the Board solely based on executive and administrative qualifications with special reference to actual experience in, or knowledge of, accepted practices with respect to the powers and duties of the office. No Board member shall receive such appointment during the term for which that member shall have been elected, nor within one (1) year after the expiration of that member's term. They shall also make and confirm appointments when so specified by the North Carolina General Statutes, including the aforementioned appointment of a Town Manager.

Section 2. Town Manager

The Town Manager shall be accountable to the Board of Commissioners for the administration and technical direction of the personnel program. The Town Manager shall hire, suspend, and remove all Town officers and employees except those whose appointment is otherwise provided for by law. - e) working with employees to create an environment of teamwork, mutual respect and collaborative conflict resolution;
- f) modeling customer service excellence; and

Article III. Recruitment and Selection

Section 1. Job Descriptions

It shall be the duty of the Town Manager to develop and update all wage grade job descriptions. All employees shall be provided a copy of their job description upon being hired. The Town Manager

THE PERSONNEL POLICY AND PROCEDURE MANUAL

TOWN OF BELVILLE

may at his/her discretion provide an applicant with the job description to assist in the hiring process.

Section 2. Recruitment

The Town Manager shall be responsible for developing and administering an active recruitment program to meet current and projected staffing needs using procedures which shall ensure equal employment opportunities based on job-related requirements.

Section 3. Position Vacancy Announcements

All position vacancy announcements shall be posted for a minimum of seven (7) working days at Town Hall. Optional recruiting publicity shall be carried out through the media, as appropriate. Position vacancy announcements shall contain, at a minimum, (1) the title, grade, and location of the position; (2) the closing date of the announcement; (3) a summary of the duties of the position; (4) a summary of the basic qualifications; (5) the procedures for making application; and (6) a statement of equal employment opportunity.

Section 4. Hiring Standards

Each position classification shall have standards for minimum training and experience. These standards indicate the knowledge, skills, and abilities that have been shown through job evaluation to be important for successful job performance. Specific formal education may be substituted for required experience in some instances. Directly related experience also may be substituted for certain educational requirements. There shall be, however, no substitute for any required license, registration, or certification. "Substantially equal qualifications" occur when the Town is unable to reasonably determine whether the job-related qualifications held by one person are significantly better suited for the position than the job-related qualifications held by another person.

Section 5. Application for Employment

An official Town employment application form shall be made available to all applicants for any position listing. An employment application may not be accepted by any agency or department other than the Town Manager. All referrals for employment shall be made through the Town Manager.

Section 6. Applicant Tracking

- A. The Town Manager shall be responsible for maintaining, as permanent records, all position vacancy announcements, including their posting and closing dates, all optional referral sources used in the recruitment process, and the pool of applicants considered for each vacancy.
- B. The applicant pool data for each position shall include an alphabetical listing of all applicants, social security numbers, and test scores, when applicable, for each position vacancy announcement. If legally required to do so, the Town Manager shall maintain EEO-4 forms providing data on the applicant's race and sex.

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

Section 7. Qualification Standards

- A. All applicants considered for employment or promotion shall meet the qualification standards established by the hiring standards for the position to which the offered.
- B. All hiring decisions shall be made based on merit.
- C. If the position's duties include operating Town-owned or insured vehicles, the Town Manager shall, before issuing an offer of employment, conduct a review of the applicant's driving record which shall be included within the employee's personnel file, if hired.

Section 8. Selection

The Town Manager shall develop, use, and document, on a consistent, regular basis, a selection process that best suits the Town's needs in filling positions within each department. All selection methods shall be valid measures of job performance.

Section 9. References and Background Investigations

Before any commitment is made to an applicant, the Town will conduct reference checks regarding the employee's qualifications and work performance. In addition, physical examinations, drug screening and criminal background investigations may be performed. Conviction of a crime is not automatically disqualifying. The Town will consider the severity of the crime, degree to which the crime is job related to the job for which the applicant is being considered, and length of time since the conviction to determine the degree to which there is a business necessity for choosing not to hire the applicant.

Section 10. Probationary Period of Employment

The probationary period of employment shall be one (1) year of full or part-time employment from and after the hiring date. The probationary period shall include time worked only and periods of extended leave shall not count towards completion of the probationary period. The probationary period is an extension of the selection process and provides time for effective adjustment of the new employee or termination of those employees whose performance does not meet acceptable standards. Any employee serving a probationary period may be dismissed at any time during the probationary period.

Section 11. Promotion

Candidates for promotion shall be chosen by the Town Manager, based on their qualifications. The Town Manager shall determine the employee's new wage.

Section 12. Demotion

- A. An employee whose work is unsatisfactory may be demoted provided that the employee has demonstrated the potential of being a satisfactory employee in another position. Any such demotion shall be made by the Town Manager in accordance with the procedures set forth in Article IX. An involuntary demotion is a disciplinary action, and the employee shall

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

be provided with written notice of the effective date of the demotion, the reasons therefore, and any applicable appeal rights.

- B. An employee desiring a position with reduced duties and responsibilities may request a voluntary demotion. A voluntary demotion is not a disciplinary action and is made without recourse to the procedures set forth in Article IX herein.

Section 13. Transfer

- A. If a vacancy occurs and an employee eligible for transfer from another department desires to be considered for the position, a written request and application must be forwarded to the Town Manager during the recruitment period. The request for transfer shall be subject to approval of the Town Manager. Any employee transferred without having requested such transfer, may appeal the action in accordance with the appeal procedure set forth in Article XI.
- B. An employee who has successfully completed a probationary period may be transferred to another position without being required to serve another probationary period.

Article IV. Position Classification Plan

Section 1. Approval

The Town Manager shall recommend to the Board a standard pay schedule for each position in Town service, including minimum, intermediate, and maximum rates of pay. The Board, based on recommendations from the Town Manager shall approve, and amend as necessary, a Position Classification Plan.

Section 2. Allocation of Positions

The Town Manager, with the approval of the Board, shall allocate each position covered by the classification plan to its appropriate class within the plan.

Section 3. Administration

- A. The Town Manager shall be responsible for administering and maintaining the Position Classification Plan to ensure that it accurately provides the duties performed by the employees in the classes to which their positions are allocated. The Town Manager shall be responsible for bringing to the attention of the Board: (1) the need for new positions and (2) the need to revise duties, responsibilities, or working conditions affecting the classification of a position.
- B. New positions shall be established upon recommendation of the Town Manager, with the approval of the Board. The Board may: (1) allocate the new position to the appropriate class within the existing classification plan or (2) amend the Position Classification Plan to establish a new class to which the new position may be allocated.

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

- C. When the Town Manager finds that a substantial change has occurred in the nature or level of duties and responsibilities of an existing position, he or she, in conjunction with the Board, shall: (1) revise the existing class specification, (2) reallocate the position to the appropriate class within the existing classification plan; or (3) amend the Position Classification Plan to establish a new class to which the position may be allocated.

Section 4. Amendment

Classes of positions shall be added to and deleted from the Position Classification Plan by the Board based on the recommendation of the Town Manager.

Article V. Employee Classification and Records

Section 1. Types of Employees

Full-time and eligible part-time employees shall be eligible to earn leave, life and health benefits beginning after 30 days of employment. Employees on probationary status are not eligible for severance pay or priority reemployment consideration.

A. Full-Time Employee

A full-time employee is a position where the incumbent is expected to be retained on a long-term basis. A full-time employee shall be designated when the requirements of the probationary period have been satisfied.

B. Part-Time Employee

An employee hired to a permanently established position scheduled to work less than forty (40) hours per workweek, is paid on an hourly basis, and is designated as a part-time employee.

C. Temporary Employee

A temporary employee is an employee that will serve a limited duration. A temporary employee may be utilized to complete time limited projects or may be hired as a result of a regular position becoming vacant due to an incumbent's leave of absence and when the replacement employee's services will be needed for a period of one (1) year or less. If an employee is retained in a temporary employee status beyond three (3) years, then said employee shall be designated as having a regular position.

Section 2. Workweek

Generally, the standard workweek for all employees of the Town, apart from Town Officials, shall be Monday through Friday from 8 a.m. until 4:30 p.m. The Town Manager may establish work schedules which meet the operational needs of the Town in the most cost-effective manner possible. The Town Manager, with the approval of the Board, shall set the hours of operation for the Town Hall. The Town Manager may authorize a deviation from the normal schedule as needed.

THE PERSONNEL POLICY AND PROCEDURE MANUAL

TOWN OF BELVILLE

Section 3. Alternative Work Schedules/ Health Pandemic

While the Town continues to provide services to the public, essential personnel must report to work unless otherwise approved not to work. To adhere to social distancing, the Town Manager may approve an employee to perform duties by telecommuting (if working remotely is determined to be necessary and/or appropriate). If an employee has a single instance in which they must be at home for the day, but capable of working, the employee must discuss a one-day telecommuting option with the Town Manager to avoid using their vacation time. This is considered an employee benefit and will only be allowed if logistically and technologically feasible, and if the employee is in good standing regarding their work performance. Telecommuting is not conducive to every position, due to the nature of the work that is performed. Employees that are authorized to telecommute and regularly deal with highly sensitive information are expected to implement a rigorous standard for ensuring the security of all sensitive or confidential information entrusted to them. If not in a leave status, it is expected that telecommuting employees will be available and working their normal schedule unless a flexible schedule is approved by the Town Manager. Telecommuting employees will remain in a normal paid status; however, a telecommuting arrangement may be revoked at any time or work arrangements may be altered to respond to changing demands. The Town Manager may also require employees to work alternate staggered schedules that may or may not include telework to ensure the continuity of Town services during regular business hours. For additional resources regarding telecommuting, see Appendix II.

Section 4. Gifts and Favors

- A. No official or employee of the Town shall accept any gift or favor from any contractor, subcontractor, supplier, or otherwise having a contract with the Town or who has performed under such a contract within the past year or who anticipates bidding on such a contract in the future.
- B. No official or employee charged with the duty of preparing plans, specifications, or estimates for a public contract, awarding or administering a public contract, or inspecting/supervising performance under a public contract, shall accept any gift, favor, or thing of value in connection with or related to the contract.
- C. All Town officials and employees shall refuse gratuities.
- D. This section is not intended to prohibit customary gifts or favors by and between employees or officials and their friends and family members when it is clear that it is the relationship with the individual rather than commercial interests that is the motivating factor for the gift or favor.

Section 5. Political Activity Restricted

- A. Every employee of the Town has a civic responsibility to support good government in an appropriate manner in accordance with Town policies. This section shall not be construed to prevent any employee from becoming or continuing to be a member of a political party, attending political meetings, or enjoying complete freedom from all interference in casting a vote. Any employee may join or affiliate with civic organizations of a partisan or political

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

nature, may attend political meetings, and may advocate and support the principles or policies of civic or political organizations in accordance with the constitutions and the laws of the United States and the State of North Carolina.

- B. The position held by any employee filing as a candidate for nomination, election, or appointment to any political office shall immediately become vacant and the employee shall immediately and voluntarily resign from employment with the Town.
- C. While on duty, no employee shall:
- engage in any political or partisan activity;
 - use official authority or influence for the purpose of interfering with or affecting the results of an election or a nomination for office;
 - be required, as a duty or condition of employment, promotion, or tenure to contribute funds for political or partisan purposes;
 - coerce or compel contributions for political or partisan purposes from another Town employee or official;
 - solicit or act as custodian of funds for political campaigns;
 - use Town-owned or leased supplies, equipment or facilities to display political slogans, posters or stickers or for any political purpose; and
 - shall approve a contract which does or has the appearance of financially benefiting that employee or his/her close associates or family members.
- D. Any violation of this section may subject the employee to disciplinary actions including dismissal.

Section 6. Outside Employment

The Town's public business takes priority over any other employment interest of an employee. All outside employment for salaries, wages, or commissions, and all self-employment, shall be reported to the Town Manager before the commencement of any such work. The Town Manager shall determine whether any such outside work creates a conflict of interest or is otherwise incompatible with the Town's interests and responsibilities. Commencing outside employment without prior approval by the Town Manager shall be deemed improper conduct and may subject the employee to disciplinary action including dismissal.

Section 7. Limitation on Employment of Relatives

The Town prohibits the hiring and employment of immediate family in full or part-time positions within the same work unit if such employment would result in one family member supervising another or if one member will occupy a position of influence over another member's employment or any condition of employment. Examples of potential influence include but are not limited to hiring, promotions, salary administration and disciplinary action.

For the purposes of this section, immediate family shall be defined as spouse, child, parent, sibling, grandparent, grandchild, guardian, trustee, or legal representative. The definition for this section also includes individuals living in the same household who share a relationship comparable to immediate family members.

THE PERSONNEL POLICY AND PROCEDURE MANUAL

TOWN OF BELVILLE

The Town may consider employing family members or related persons in the service of the Town, provided that such employment does not:

- a. result in a relative supervising a relative;
- b. result in a relative auditing the work of a relative;
- c. create a conflict of interest with either relative and the Town; or
- d. create the potential or perception of favoritism.

This provision shall not apply retroactively to anyone employed when the provision was adopted by the Town.

Other Relationships

To prevent actual or perceived discrimination and/or favoritism in the workplace, and to aid in the enforcement of the Town's harassment prevention and non-discrimination policies, the Town does not ordinarily permit persons who are dating or otherwise engaged in a romantic, physical, sexual, or otherwise personal relationship to work in a direct supervisory relationship with each other.

Section 8. Workplace Romantic Relationships

When a romantic workplace relationship develops, the Town will require that each party in the relationship sign a consensual relationship agreement. This is a required document signed by the two employees in a consensual dating relationship that declares that the relationship is by consent. The Town Manager will meet with both employees independently and determine whether there is any possibility that the agreement is not consensual. The Town Manager will 1) make sure that the employee understands the company's sexual harassment policy; 2) emphasize that the employee will not be retaliated against for reporting sexual harassment; 3) explain the procedure for reporting sexual harassment; and 4) document the employee's file with a summary of the interview.

Section 9. Travel Expense Reimbursement

- A. Vehicles owned by the Town will be provided for certain personnel for certain Town business. Town vehicles shall not be used for personal purposes.
- B. Travel Time: Whether travel time is considered as hours worked depends on the circumstances and should be determined on a case basis.

1. Home-to-Work

An employee who travels from home before the regular workday and returns home at the end of the workday is engaged in ordinary home-to-work travel which is a normal incident of employment. This is true whether the employee works at a fixed location or at different job sites. Normal travel from home to work is not work time.

2. Home to Work on Special One-Day Assignments in Another City

When an employee who regularly works at a fixed location in one city is given a special one-day assignment in another city, such travel cannot be regarded as

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

home-to-work travel. For example, an employee who works in Raleigh with regular working hours from 8:30 a.m. to 5:30 p.m., may be given a special assignment in another city, with instructions to leave Raleigh at 7:00 a.m. The employee arrives at 12 noon, ready for work. The special assignment is completed at 3:00 p.m., and the employee arrives back in Raleigh at 8:00 p.m. Such travel cannot be regarded as ordinary home-to-work travel occasioned merely by the fact of employment. It was performed for the Town's benefit and at the Town's request to meet the needs of the assignment. It would, therefore, qualify as an integral part of the "principal" activity which the employee was hired to perform on that workday. All the time involved, however, need not be counted as work time. Since, except for the special assignment, the employee would have had to report to the regular work site, the travel between home and the airport, or the usual time required to travel from home to work may be deducted, such time being in the home-to-work category. Also, of course, the usual mealtime would be deductible.

3. Travel All in the Day's Work

Time spent by an employee in travel as part of the employee's principal activity, such as travel from job site to job site during the workday, must be counted as hours worked. When an employee is required to report at the employer's premises, or at a meeting place, to receive instructions or to perform other work there, the travel time from this designated place to the work place is part of the day's work and must be counted as hours worked.

If an employee normally finished work at a particular job site at 5:00 p.m., and is required to go to another job and is finished at 8:00 p.m., and is required to return to the employer's premises arriving at 9:00 p.m., then all of the time shall be considered working time. However, if the employee goes home instead of returning to the employer's premises, the travel after 8:00 p.m., in this example, shall be considered as home-to-work travel and not as hours worked.

4. Travel Away From Home

Travel which keeps an employee away from home overnight is travel away from home. Travel time away from home shall be considered as work time when it occurs during an employee's regular scheduled workday. Any such work shall include regular hours worked on regular working days during normal working hours and as work worked during normal working hours on non-working days. Therefore, if an employee regularly works from 8:00 a.m. to 5:00 p.m. Monday through Friday, the travel time during these hours is work time on Saturday and Sunday as well as on other days. Regular meal period time is not counted. Time spent in travel away from home outside of regular working hours (8:00-5:00) as a passenger on an airplane, train, bus or automobile shall not be considered as work time. The following example illustrates the application of this policy:

Example: An employee who has headquarters in Raleigh leaves for Asheville on Sunday afternoon at 2:00 p.m. and arrives in Asheville at 7:00 p.m. The 3 hours traveled between 2:00 p.m. and 5:00 p.m. are hours worked and are included in the total hours worked within the workweek. If the total hours worked exceeds 40 per

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

week, the employee is to be compensated in accordance with the Town's overtime policy. The 2 hours traveled between 5:00 p.m. and 7:00 p.m. are not considered as time worked for the purpose of determining total hours worked. The Town Manager shall authorize travel for official Town business outside the Town. A written request for such travel shall be submitted describing the travel requested, the purpose of the proposed trip, and the period of time for which the employee will be away from the Town.

- C. Town employees and officials traveling outside the Town on official business will be reimbursed for mileage at the current Federal standard rate with lodging and other non-meal related expenses reimbursed at actual cost provided that, however, the rental of any vehicle by any Town employee or official shall first be approved in writing by two (2) Commissioners.
- D. Meals will be reimbursed at the current rate established by the GSA and based on location. For current rates refer to <https://www.gsa.gov/travel/plan-book/per-diem-rates>.
- E. Employees and officials traveling on a reimbursable basis for the Town shall maintain an accurate record of their expenses. Receipts for the cost of hotels and other travel-related expenses must be attached to the written claim.
- F. No reimbursement of travel-related expenses will be paid without an authorized travel claim signed by the employee and approved by the Town Manager.

Section 1. Maintenance

The Town Manager, with the approval of the Board, shall be responsible for administering and maintaining the pay plan. The pay plan is intended to provide equitable compensation for all positions when considered: in relation to each other; to general rates of pay for similar employment in private and public sectors; to changes in the cost of living; to the Town's financial considerations; and other various factors. To this end the Town Manager shall, from time to time, require and make comparative studies of all factors affecting the level of wage ranges. The Town

A formal performance evaluation shall then be made once a year on the employee's anniversary hiring date. An informal performance evaluation is recommended six (6) months in advance of the formal evaluation to provide the employee with the time to improve his/her performance if necessary. A performance evaluation does not necessarily result in a wage increase.

Section 5. Failure to Perform Satisfactorily

An employee failing to perform satisfactorily, whether during the probationary period or thereafter, will be denied any scheduled wage increase. If appropriate, the Town Manager may take appropriate disciplinary action in accordance with the provisions of Article IX herein.

If an employee's current wage is already above the minimum range level for the position, then his/her wage may be increased or left unchanged at the discretion of the Town Manager, provided that the adjusted wage does not exceed the maximum level of the assigned wage range.

- G. Paid sick leave begins to accrue one month from the start of the employee's date of probationary employment. When all paid sick leave has been exhausted, the employee may be placed on unpaid sick leave in accordance with the provisions of this section. Upon

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

separation of employment, any unpaid sick leave owed to the Town by the employee shall be deducted from the employee's final check.

- H. If an employee has been on sick leave for more than three (3) consecutive working days, the Town Manager may require submission of a certificate from the employee's treating physician attesting to the employee's illness or injury. The employee may also be required to be cleared for duty, in writing by the treating physician, before being permitted to return to work.
- I. No employee shall be paid for any accumulated sick leave such that upon separation, no sick leave balance will be paid or owed to the employee by the Town and any unused sick leave shall be forfeited.
- J. The Town recognizes the vested interest an employee has in accumulated sick leave. Therefore, a new employee whose last employer was a state or local governmental entity in NC will be allowed to transfer such sick leave as may have been accumulated during previous employment to be credited to his/her account. A written verification from the previous employer is required before the sick leave hours can be credited and must be received by the Town within 6 months of employee's date of hire.
- K. If a paid holiday falls within a period of paid sick leave, the employee will be eligible for holiday pay. If a paid holiday occurs while the employee is on sick leave without pay, holiday pay shall not be granted.
- L. The Town follows the 2020 Emergency Family Medical Leave Act Expansion Act

Section 7. Advancement of Sick Leave and/ or Vacation Leave

- A. **Appropriate leave:** Appropriate leave shall only be advanced for situations shown by the employee to constitute a personal hardship or a personal/family emergency. No leave shall be advanced for routine matters such as, without limitation, tardiness, inconsequential personal affairs, minor health care matters such as regular visitations to or examination by physicians or dentists, family celebrations, and/or regularly scheduled vacations.
The intent of this policy is to advance appropriate leave in situations involving emergencies and hardships such as, without limitation, extended illness, surgery requiring a recuperative period involving any working days, the illness of a member of the employee's immediate family, the death of a member of the employee's immediate family, special military training not covered by the Military Leave Policy, and special job-related educational and training obligations. The amount of leave to be advanced shall be limited to the amount of leave necessary for accommodating the subject emergency or hardship.
- B. **Eligibility:** Only full and part-time regular employees in pay status who have exhausted all accumulated vacation and sick leave shall be eligible for advancement of vacation or sick leave in accordance with the provisions of this section. An employee cannot be advanced more leave than he/she will have earned by the end of the current leave year such that any leave which cannot be earned back within that leave year cannot be advanced. Additionally, once the employee returns to work, any leave taken before the advanced leave is earned back shall be charged as leave without pay.

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

- C. Approval Procedures: The Town Manager will review each request for advanced leave and provide written notification of approval or disapproval thereof within ten (10) working days after receiving the request. The Town Manager's decision on a request for advanced leave is not appealable.
- D. Other Considerations: No other leave shall accrue or be available for use as vacation or sick leave until any advanced leave has been earned back from the employee. Until the advanced leave is earned back, any other time off by the employee shall be charged to leave without pay. Additionally, should the employee terminate for any reason, the amount of overdrawn leave shall be deducted from the employee's final check. Advanced leave is earned back on the same basis and in the same manner upon which it accrues.

Section 8. Leave Without Pay

- A. An employee may request leave without pay in writing to the Town Manager which shall be decided upon by the Board taking into account the review and recommendation of the Town Manager. Any employee who fails to request and be granted such leave, and who does not report to work for a period of three (3) or more days, shall be considered to have voluntarily resigned from employment with the Town. Leave without pay may be granted for illness, educational purposes, vacation, or for any other reasons deemed justified by the Board for a period of up to six (6) months. Leave without pay may be granted during the time before and after childbirth or adoption when an actual disability is present. When an actual disability caused or contributed to by pregnancy, miscarriage, childbirth, or recovery therefrom exists, employees shall be guaranteed a position of the same classification, seniority, and pay upon their return to work following a period of leave without pay. An employee failing to report to work at the expiration of the leave without pay period, provided an extension has not been granted by the Board, shall be considered to have voluntarily resigned from employment with the Town.
- B. An employee shall have the option to retain accumulated but unused sick leave while on leave without pay status provided that, however, vacation and sick leave shall not accrue during a leave without pay status. Any individually based health care coverage provided by the Town to an employee shall not be provided as an employment benefit for that employee during a leave without pay status unless the employee has worked a minimum of one-half (1/2) of the working days during the subject calendar month. An employee on leave without pay status and covered under the Town's group health insurance may, however, continue to be eligible for benefits thereunder subject to the provisions of the plan and any conditions adopted by the Board.

Section 9. Parental Leave

Parental leave may be granted to a full-time employee for a period of up to 12 weeks for pregnancy, miscarriage, abortion, childbirth, recovery, or adoption. Employees may be granted an extension by the Town Manager when medically necessary. Parental Leave is leave without pay unless the employee uses sick or vacation leave as provided by this policy. A parental leave request,

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

including the tentative duration of the leave requested, must be submitted to the Town Manager in advance of the leave.

Sick leave may be taken during the period of actual disability as certified by the attending physician of the mother, and when care of the disabled mother is required by an immediate family member. Vacation, compensatory time, or leave without pay may be used for other periods of the parental leave, consistent with the provisions of this policy.

Section 10. Military Leave

- A. In addition to any military leave required under the Uniformed Services Employment and Reemployment Rights Act, an employee who is a member of the National Guard or the Armed Forces Reserve shall be allowed ten (10) working days of military leave annually, with partial compensation, for related training purposes. If the compensation received while on military leave is less than the wage that would have been earned during this same period as an active employee, the employee shall receive partial compensation equal to the difference between the base wage earned as a reservist and the wage that would have been earned during this same period as a Town employee. The effect will be to maintain the employee's wage at the normal level during the period of military leave. If an employee's military duty is required beyond ten (10) working days, then the employee shall be eligible to take accumulated vacation leave or be placed on leave without pay status.
- B. While on military leave, the employee's vacation and sick leave, and other benefits, shall continue to accrue as if the employee was in pay status. Reservist employees also have all of the rights provided for under the Veterans Readjustment Assistance Act.

Section 11. Court Leave

A employee called for jury duty or subpoenaed as a witness is entitled to leave with pay for the period of absence required, not to exceed five (5) days after which the Town Manager may consider partial pay for any remaining time away from work while on jury duty. Any such employee is entitled to regular pay in addition to any fees received from the court.

Section 12. Salaried Employee Overdrawn Absences

All salaried employees must use accumulated vacation leave, applicable sick leave, advanced leave, or compensatory time for any absences from work.

Section 13. Bereavement Leave

Bereavement leave with pay shall be granted to full time regular employees for a maximum of three (3) days in addition to accumulated vacation leave (the combination thereof not to exceed five (5) days for any one occurrence). Bereavement leave may be taken in the event of a death of an immediate family member which is herein defined as a spouse, parent, child, grandparent, or grandchild.

- E. The Town reserves the right to negotiate and/or revise any of the coverages set forth above as well as the costs of the same to employees.

Section 2. Worker's Compensation

All employees and elected officials of the Town shall be covered by workers’ compensation insurance as required by and in accordance with the provisions of the Workers’ Compensation Act as set forth in Chapter 97 of North Carolina General Statutes (hereinafter “the Act”).

- 1. Employees shall immediately, or as soon thereafter as practicable, give or cause to be given to the Town Manager, written notice of the occurrence of an accident on the job. Failure to provide the required notice could result in a loss of benefits under the Act.
- 2. The Town shall file a Form 19 with the Workers’ Compensation insurance carrier within five (5) days after receiving a report of an injury or accident occurring on the job.
- 3. No leave is charged on the day of the injury if the treating physician instructs the employee not to return to work.
- 4. For injuries covered by the Act, the employee shall, if requested by the Town, submit to independent medical examinations and the Town’s access to the employee’s medical information shall be as provided for in the Act.
- 5. In the event an employee is placed on leave and is subject to the waiting period prescribed under the Act, then the employee shall elect between one of the following options with respect to the use of accumulated leave during any such waiting period. Once an election is made, it may not be rescinded for the duration of the subject claim.

Option 1: Elect to take sick or vacation leave during the required waiting period and begin receiving workers’ compensation benefits thereafter; or

THE PERSONNEL POLICY AND PROCEDURE MANUAL

TOWN OF BELVILLE

Option 2: Elect not to take sick or vacation leave during the waiting period and begin receiving workers' compensation benefits thereafter.

6. Employees injured on the job in a compensable accident who require medical or therapeutic office visits during regularly scheduled working hours shall not be charged leave for time away from work for such visits. Paid time shall be limited to reasonable time for treatment and travel and any excess time will be charged to accumulated leave or taken as leave without pay.

Section 3. Unemployment Compensation

Employees who are dismissed from Town service may apply for unemployment compensation through the local office of the North Carolina Division of Employment Security which shall determine eligibility for unemployment compensation.

Section 4. Educational Assistance

Full-time regular employees may apply for educational assistance and leave. Courses relating to a present or future position with the Town or to further an employee's education in a related field may be eligible for such assistance.

The Town provides all regular employees financial assistance in obtaining a college degree. An employee must file a request to participate in this program with the Town Manager who administers the educational assistance program. Tuition will be reimbursed in an amount not to exceed then current in-state rates as charged by the University of North Carolina system. During each calendar year, employees can be reimbursed for tuition costs for up to 18 semester hours. Employees eligible for VA educational assistance are not entitled to educational assistance from the Town. In exchange for the educational assistance, employees agree to remain in full time employment with the Town for a period of two (2) years after receipt of tuition assistance. In the event an employee leaves before the completion of the two (2) year period, he/she must reimburse the Town for the assistance received during the preceding two-year period and any such obligation to the Town may be deducted from the separating employee's final check.

Article IX. Separations and Disciplinary Actions

Section 1. Resignation

Separation from Town service occurs when an employee leaves the payroll for the following reasons:

- A. Voluntary Resignation with Notice

An employee may terminate services with the Town by submitting a resignation to the Town Manager. It is generally expected, subject to the Town Manager's discretion, that a non-essential employee will provide two (2) weeks' notice prior to the last day of work and that essential employees shall provide four (4) weeks' notice. Unused vacation leave, not to

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

exceed 240 hours, shall be paid in a lump sum to the resigning employee but there shall not be any payment made for unused sick leave.

B. Voluntary Resignation Without Notice

An employee voluntarily terminates employment with the Town without notice by failing to come to work without notifying the Town Manager. Such a failure shall be deemed to be a voluntary resignation when the employee is absent without approved leave for a period of at least three (3) consecutive workdays. Separation pursuant to this policy shall not occur until the Town Manager has undertaken reasonable efforts, e.g. calling the employee at the last known home telephone number or by sending the employee a certified, return receipt requested letter to the employee's last known address, to locate the employee and determine if or when the employee intends to return to work.

This provision shall also apply when the employee is absent for at least three (3) consecutive scheduled workdays and has been instructed verbally or in writing to report for work in a specified manner and does not so report on a regular and consistent basis during that time. Unused vacation leave, not to exceed 240 hours, shall be paid in a lump sum to the resigning employee but there shall not be any payment made for unused sick leave.

Voluntary resignations are not covered by the appeal process.

C. Separation Due to Unavailability

An employee may be separated on the basis of unavailability when the employee becomes or remains unavailable for work after all applicable leave credits and benefits have been exhausted and the Town Manager does not grant a leave without pay or extend a leave without pay period for reasons including, without limitation, lack of suitable temporary staffing, criticality of the position, and budgetary constraints, etc. Such a separation is not a disciplinary action and may be grieved in accordance with the procedures set forth in Article X herein. Unused vacation leave, not to exceed 240 hours, shall be paid in a lump sum to the resigning employee but there shall not be any payment made for unused sick leave. When an employee is separated while in receipt of workers' compensation benefits, leave shall be administered in accordance with the Workers' Compensation Leave Policy.

(1) Unavailability – i) the employee's inability to return to all of his/her position's essential duties and work schedule due to a medical condition, prognosis, or work restrictions/limitations conforming to a healthcare provider's written instructions or ii) the employee and Town are unable to agree on a return-to-work arrangement meeting both the operating needs of the Town and the employee's needs.

(2) Applicable leave credits –the approved sick and/or vacation leave the employee exhausted prior to separation.

Prior to being separated due to unavailability, the Town Manager shall meet with and notify the employee in writing of the proposed separation, the efforts undertaken to avoid separation, and

THE PERSONNEL POLICY AND PROCEDURE MANUAL

TOWN OF BELVILLE

why those efforts were unsuccessful. The employee shall have the opportunity in this meeting to propose in writing alternative methods of accommodation which the Town Manager, shall consider and act upon within a reasonable time. If the Town Manager finds and concludes the proposed accommodations impose an undue hardship on the Town's operations, then the Town Manager shall notify the employee in writing of that conclusion, provide the proposed date of separation, and advise the employee of his/her grievance rights.

Section 2. Reduction in Force

If a reduction in force becomes necessary, consideration shall be given to the quality of each employee's performance as documented by current performance appraisals, organizational needs, and seniority, in determining the employees to be retained. Employees who are laid off because of a reduction in force shall be given at least two (2) weeks' notice. No regular employee shall be separated while there are temporary employees serving in the same class in the department unless the regular employee is not willing to transfer to the position held by the temporary employee. A separation due to a reduction in force is not appealable and may not be grieved.

Section 3. Disability

An employee may be separated for disability when the employee cannot perform the essential job functions of the position because of a physical or mental impairment. Action for disability separation may be initiated by the employee or the Town, but in all cases, consideration for disability separation shall be supported by medical evidence as certified by a competent physician of the Town's choosing. Before an employee is separated for disability, a reasonable effort shall be made to determine whether the impairment is a known disability substantially limiting major life activities and if so, whether the employee can perform the essential functions of the position with reasonable accommodations to the position or work environment enabling the employee to perform the essential job functions; such reasonable accommodations including, without limitation, transferring the employee to a vacant position for which the employee is qualified and can perform the essential functions of the position provided that such accommodations do not impose an undue hardship on the Town.

Section 4. Death

Payment for unpaid salary, unused vacation leave (not to exceed 240 hours), and travel shall be made to the estate of the deceased employee.

Section 5. Disciplinary Actions

- A. With the exception of elected officials, any employee who does not respond to informal efforts by a supervisor regarding deficiencies in work performance or personal conduct, or who is responsible for a serious infraction relative to the same, may be subject to a disciplinary action consisting of either a warning, reprimand, suspension, demotion, or dismissal. If the nature and seriousness of the failure in performance or conduct warrants such action, the employee may be dismissed, and the Town may terminate the

THE PERSONNEL POLICY AND PROCEDURE MANUAL TOWN OF BELVILLE

employment of an employee at any time provided the action is not the result of unlawful discrimination or the violation of some other employment law. A non-regular or probationary employee may be dismissed immediately, without engaging in the procedures set forth herein, by the Town Manager. In that event, the Town Manager shall inform the employee in writing of the reasons for dismissal. Regular employees shall be provided the due process of a pre-dismissal hearing before being dismissed, if requested.

- B. Regular employees may appeal a disciplinary action including dismissal and termination. Non-regular and probationary employees do not have a right of appeal.
- C. The procedures set forth in this Section, including the right to appeal a disciplinary action, are intended to avoid restricting operating personnel and in no way guarantee an employee's right to continued employment.
- D. Generally, suspension, demotion, or dismissal will be preceded by a warning. Employees may, however, be suspended, demoted or dismissed without a prior warning or disciplinary action if the nature and seriousness of the failure in performance or conduct warrants such action, and the Town Manager so decides. All disciplinary actions, including warnings, shall be documented using a Disciplinary Action Memo ("Memo") setting forth the matters for which the employee was disciplined, the corrective actions which the employee must take, the dates of any previous performance discussions with or disciplinary actions received by the employee, other pertinent information, and the employee's applicable appeal rights. Copies of the Memo shall be delivered to the employee and placed in the employee's personnel file.
- E. Disciplinary warnings may result from any type of conduct, related or otherwise, constituting a failure in work performance or personal conduct. An employee receiving three (3) separate, related, or unrelated disciplinary warnings shall be disciplined with a suspension, demotion, or dismissal as decided by the Town Manager.
- F. Failure in the performance of work duties considered as adequate grounds for disciplinary action include, without limitation, the following:
 - 1. Inefficiency, negligence, or incompetence;
 - 2. Careless, negligent or improper use of Town property and/or equipment;
 - 3. Discourteous treatment of the public and other Town employees;

 - 10. Willful damage or destruction of property;
 - 11. Possession of unauthorized firearms or weapons on the job;
 - 12. Brutality in the performance of duties;

- G. Failure in personal conduct considered as adequate grounds for disciplinary action include, without limitation, the following:
1. Fraud in securing appointment or employment;
 2. Conviction of or the entry of a plea of “no contest” to a criminal charge which could adversely affect the employee’s work performance;
 3. Misuse of Town funds;
 4. Falsification of Town records for personal profit or for special privileges; and
 5. Reporting to work under the influence of alcohol or drugs or partaking of the same while on duty or while on public property except for prescribed medication taken within the limits set by a physician and when medically necessary.
- H. The following procedures shall precede the dismissal of any regular (non-temporary and non-probationary) employee:
1. The Town Manager shall provide the employee with written notification of the date, time, and place of a pre-dismissal hearing. The notification shall include a statement that dismissal is being considered as a possible disciplinary action, the proposed effective date of the dismissal, and notice of the reasons why dismissal is being considered.
 2. The notice shall be provided to the employee no later than two (2) business days in advance of the hearing date to provide the employee with an opportunity to respond to the allegations. At the hearing, the employee may present evidence in response to the allegations. The pre-dismissal hearing shall be conducted by the Town Manager and the employee may not have a representative, legal or otherwise, appear thereat.
 3. The Town Manager shall consider the employee’s response and shall decide to: i) impose the dismissal as the appropriate disciplinary action; ii) impose a less stringent disciplinary action; iii) suspend the employee with or without pay pending further investigation; or iv) take no further action against the employee.
 4. The Town Manager shall notify the employee of the decision in writing, mailed to the employee by United States Postal Service certified mail, return receipt requested, within five (5) business days after the date of the decision. The notice shall advise the employee of any applicable appeal rights.

Section 6. Investigatory Suspension

- A. Investigatory suspension with or without pay, as decided by the Town Manager, may be used to provide time to investigate, establish facts, and reach a decision concerning an employee's status. Investigatory suspension without pay may be appropriately used to provide time to schedule and hold a pre-dismissal hearing. Any investigatory suspension without pay shall not exceed forty-five (45) calendar days. If no action has been taken by the end of said period of time, then the employee shall either be reinstated with full back pay or disciplined based on the established facts at that point in time.
- B. Investigatory suspension of an employee shall not be used for the purpose of delaying an administrative decision on an employee's work status pending the resolution of a civil or criminal court matter involving the employee.
- C. An employee who has been suspended for investigatory reasons may be reinstated with up to three (3) days' pay deducted from his/her salary. The decision to deduct pay shall be made by the Town Manager and be based upon the degree to which the employee was responsible for or contributed to the reasons requiring the suspension.

Section 7 Employee Appeal

An employee wishing to appeal a disciplinary action may do so in conformity with the applicable provisions of Article X herein.

Section 8 Remedies of Employees Objecting to Material in File

NCGS 160A-168(d) provides that an employee may object to material in his or her file if the employee considers the information to be inaccurate or misleading. The employee may also seek to have the material removed from the file or may place in the file a statement relating to the material. This provision also applies to probationary employees and former employees.

Section 9. Reinstatement

- B. The grievance procedure does not apply to disciplinary actions. Appendix II. Telework Resources

North Carolina Telework: A Triangle J Council of Governments Initiative

“Telework policies are a valuable way of establishing the scope of your telework program. They allow managers, employees, and other stakeholders to clearly understand the opportunities, limits, and expectations for telework arrangements and ensure that these arrangements are administered equitably throughout your organization. There is no one-size-fits all policy to oversee teleworking; it will depend on all kinds of factors including the size, type, culture, and location of your organization. However, below are a number of important considerations that should be addressed in any telework program. We have also included a number of example policies, agreements, and applications from various types of organizations that can provide you with some additional guidance in developing your policy.” For more information and to view sample policies, visit: <https://nctelework.org/sample-policies/>.²
