"HELP MAKE A DIFFERENCE."

Recognized as one of the top golf courses in the Southeast and host to several PGA qualifying events, Magnolia Greens is a magnificent 27-hole golf facility designed by Tom Jackson.

For the third year in a row, the club will host **The Belville Classic**, the Town of Belville's own charity golf tournament to benefit Belville Elementary School.

Now, more than ever, public schools need our support - and you can help by supporting this amazing event. Register now as a player or team, or donate directly to the charity.

These funds will provide much needed supplies, infrastructure and more for our school. Invest in our future by supporting the 3rd Annual Belville Classic - which has always been, FORE the kids.

Thank you for your support.
