Town of Belville Cancels Founders Day/America 250 Celebration Due to Potential Impacts from Hurricane Isaias

BELVILLE, NC – The Town of Belville has been closely monitoring the progression of Hurricane Isaias and, while Belville will not be directly impacted by this storm, the outer rain bands are projected to affect Brunswick County and provide a significant amount of rain and wind in our area.

Therefore, the Town of Belville has made the decision to cancel this weekend's Founders Day/America 250 Celebration. There will be no rain date for this event. We look forward to celebrating the Town's 50th birthday in 2027 and encourage residents to attend our upcoming Trunk or Treat Monster Mash Event on Friday, October 23rd and Belville's Christmas Celebration on Saturday, December 5th.

While the Town is disappointed to cancel the Founders Day celebration, the safety of residents, visitors, and staff remains the priority.

"We encourage residents to prepare for the approaching storm by monitoring local news, weather forecasts, and official emergency management updates. Residents should also secure outdoor items, avoid flooded roadways, and take appropriate precautions as conditions develop," Mayor Chuck Bost said.

These conditions could create hazardous travel, localized flooding, and other weather-related concerns for residents and visitors.

About the Town of Belville

Incorporated in 1977, the Town of Belville is a thriving community located in Brunswick County along the Brunswick River in Southeastern North Carolina. The Town's long-term planning efforts focus on maintaining its small-town character while expanding recreational, economic, and community opportunities for residents and businesses alike.
